

Hall: Main Hall - 11:00 - 11:30

Opening Ceremony

Conference Chairpersons

Nasser Ghozlan

Omar Shouman

ESPRS President

Fouad Ghareeb

ESPRS Vice President

Khaled Makeen

ESPRS & Conference General Secretary

Atef Emam

ESPRS Treasure

Amr Magdy

ESPRS Ass. General Secretary

Osama Alshahat

Hall: Main Hall - 11:30 - 13:10

Para Plastic Session

Chairpersons (in alphabetical order)

- Abbas El Tahan, Alexandria University
- Ahmed Adel Nour Eldeen, Cairo University
- Fawzy Hamza, AL Azhar University
- Hassan Badran, Ain Shams University
- Mohamed El Hadidy, Mansoura
- Wael Ayad, Cairo University

- | | | |
|---------------|---|----------------------------|
| 11:30 - 11:45 | Milestones on the path: Important people & events in plastic surgery history
<i>Ahmed Adel Nour Eldeen</i> | <i>Cairo University</i> |
| 11:45 - 12:00 | Syndromes in plastic surgery
<i>Fawzy Hamza</i> | <i>AL Azhar University</i> |
| 12:00 - 12:15 | Ethics of medical practice
<i>Wael Ayad</i> | <i>Cairo University</i> |
| 12:15 - 12:25 | Plastic surgery interaction with other specialties: Scope of specialty in different mind.
<i>Yasser Helmy</i> | <i>Al Azhar University</i> |
| 12:25 - 12:35 | Safe planning and harvest of VGLN flap for management of upper limb lymphedema: First Egyptian experience
<i>Usama Ahmed Mohammed Abdelfattah</i> | <i>Cairo University</i> |
| 12:35 - 12:45 | Reconstructive challenges of war injuries
<i>Mohamed Elmoursy</i> | <i>Jeddah</i> |
| 12:45 - 12:55 | Effect of burn rehabilitation program on improving quality of life (QoL) for hand burns patients: a randomized controlled study.
<i>Mohammed Hassan El Fahar</i> | <i>Mansoura University</i> |
| 12:55 - 13:05 | Discussion | |

Hall: Main Hall - 13:10 - 14:20

Aesthetic—Lipofilling Session

Chairpersons (in alphabetical order)

- Ahmed Maged El Mofty, Cairo University
- El Sayed Mandour, Tanta University
- Hussein Saber Abul Hassan, Alexandria University
- Ikram Seif, Ain Shams University
- Mamdouh Badawi, Military Medical Academy
- Mohamed Sobhi Ahmed Zaki, Cairo University

- | | |
|---------------|--|
| 13:10 - 13:20 | Injectables in facial aesthetic practice
<i>Mohamed Sobhi Ahmed Zaki</i> <i>Cairo University</i> |
| 13:20 - 13:30 | Periorbital rejuvenation, a comparative of men and women needs
<i>Hussein Saber Abul Hassan</i> <i>Alexandria University</i> |
| 13:30 - 13:40 | Labial rejuvenation using PRP and lipofilling
<i>Iman Labib Salem</i> <i>Alexandria University</i> |
| 13:40 - 13:50 | 3D computer simulation guided Lipofilling in congenital facial asymmetry: Case report.
<i>Ahmed Fergany Saber</i> <i>Menoufia University</i> |
| 13:50 - 14:00 | Contouring of the gulteal region in women: Enhancement and augmentation.
<i>Mohsen Mali Mohamed</i> <i>Alexandria University</i> |
| 14:00 - 14:10 | Fat transfer, in purely aesthetic or aesthetic reconstructive purposes
<i>Ibraheem Yahia M. Almanawy</i> <i>Aumelmasrien hospital</i> |
| 14:10 - 14:20 | Discussion |

Hall: Main Hall - 14:20 - 14:55

Light Lunch

Hall: Main Hall - 15:00 - 16:00

Scars—Cicatricial Alopecia Session

Chairpersons (in alphabetical order)

Abbass El Behiry, Alexandria University
 Alaa Gheita, Cairo University
 Amr Magdy, Ain Shams University
 Helmy Shalaby, Tanta University
 Moustaf El Sonbaty, Assiut University
 Samia Saeed, Tanta University

15:00 - 15:10	Reasons for hair transplant failure. <i>Moustaf El Sonbaty</i> <i>Assiut University</i>
15:10 - 15:20	Outcome of follicular unit extraction in cicatricial alopecia. <i>Mahmoud Ahmed Ghazala Mansoura</i> <i>University</i>
15:20 - 15:30	Cicatricial alopecia; Comparative study between FUE and scalp expansion. <i>Ahmed Abohashem Azab</i> <i>Zagazig University</i>
15:30 - 15:40	Assessment of micro-needling devices as trans-epidermal drug delivering system for corticosteroid in treatment of broad hypertrophic scars <i>Ehab Zaki Azzam</i> <i>Alexandria University</i>
15:40 - 15:50	Post-burn mature scars; Is it too late to interfere? <i>Malek A. Elsayed</i> <i>Suez Canal University</i>
15:50 - 16:00	Discussion

Hall: Main Hall - 16:05 - 17:45

Facial Plastic—Rhinoplasty Session

Chairpersons (in alphabetical order)

- Ahmed Khashaba, Zagazig University
- Ezz El Dofily, Military Medical Academy
- Hashem Ayad, Tanta University
- Mohamed Megahed, Menoufia University
- Osama Alshahat, Cairo University
- Raafat Anany, AL Azhar University

- | | |
|---------------|--|
| 16:05 - 16:15 | Evaluation of frontalis sling using fascia Lata versus goretex for correction of blepharoptosis
<i>Sherif Youssif</i> <i>Al Azhar University</i> |
| 16:15 - 16:25 | Post filler facial deformity
<i>Mohamed Ibrahim Moselhy</i> <i>Alexandria University</i> |
| 16:25 - 16:35 | Recent trends in post filler removal facelift.
<i>Yasser Mohamed El-Sheikh</i> <i>Alexandria University</i> |
| 16:35 - 16:45 | Middle and lower vault rhinoplasty
<i>Hashem Ayad</i> <i>Tanta University</i> |
| 16:45 - 16:55 | Optimizing nasal dorsal augmentation.
<i>Yasser Elbadawy</i> <i>Elsheikh Zayed city</i> |
| 16:55 - 17:05 | Deviated nose. Key points for better outcome,with Featured video cases.
<i>Khaled Eldemerdash NowairEl Mahalla Elkobra Hospital</i> |
| 17:05 - 17:15 | Septal Surgery: The Foundation for a Good Rhinoplasty
<i>Walaa Sheleib</i> <i>Alexandria University</i> |
| 17:15 - 17:25 | Secondary Rhinoplasty in bilateral Cleft Nasal Deformity
<i>Osama Alshahat</i> <i>Cairo University</i> |
| 17:25 - 17:35 | Rhinoplasty in Unilateral Complete Cleft Lip
<i>Mohamed Ali Nasr</i> <i>Zagazig University</i> |
| 17:35 - 17:45 | Discussion |

Hall: Main Hall - 17:50 - 18:40

Hypospadias Session

Chairpersons (in alphabetical order)

Ahmed Bahaa, Mansoura University
Amir Abdel Kareem,
Assem Hussien,
Mahmoud Abdel Rahman, Cairo University
Mohamed Awad Almarakby, Cairo University
Nabil Masoud, Tanta University

- 17:50 - 18:00 Urethro cutaneous fistula another presentation of pressure ulcer.
Mahmoud Abdel Rahman *Cairo University*
- 18:00 - 18:10 Comparative study between adrenaline injection and bipolar electrocautery in proximal Hypospadias repair.
Saber M. Abdelmaksoud *Cairo University*
- 18:10 - 18:20 Crippled hypospadias: Evaluate, Think and proceed.
Mohamed Awad Almarakby *Cairo University*
- 18:20 - 18:30 Posterior hypospadias: analysis of the results of modified staged repair (STAG).
Haitham Badawy *Alexandria University*
- 18:30 - 18:40 Discussion

Hall: Main Hall - 09:00 - 10:00

Extremity Surgery Session

Chairpersons (in alphabetical order)

Ahmed Ali Taha, Cairo University
Amr Fathi,
Magdy Ahmed Abdelmuktader, Al Azhar University
Omar Shouman, Mansoura University
Sameh El Noamany, Cairo University
Tarek El Menoufy, Cairo University

- 09:00 - 09:10 Dorsal finger perforator flap for finger reconstruction.
Magdy Ahmed Abdelmuktader Al Azhar University
- 09:10 - 09:20 Elbow flexion restoration after brachial plexus palsy.
Mohammad-Reda Zagazig University
- 09:20 - 09:30 Hand replantation case report; the fallacy of crush injury and the number of veins needed.
Ahmed Mohamed Ibrahim Ismailia University
- 09:30 - 09:40 Propeller flaps as safer and lesser morbidity option for lower third leg defects
Ahmed Mohamed Harfoush Cairo University
- 09:40 - 09:50 Lower Extremity Reconstruction Management and Outcomes.
Tarek El Menoufy Cairo University
- 09:50 - 10:00 Discussion

Hall: Main Hall - 10:05 - 11:45

Reconstruction Session

Chairpersons (in alphabetical order)

- Fayez El-Deeb, Cairo University
- Hassan Badran, Ain Shams University
- Medhat Emil Habib, Abu Dhabi United Arab of Emirates
- Mohamed Abdel Moaty, Suez Canal University
- Wael Sakr, Beni Suef University
- Yehia Zakaria, Cairo University

- | | | |
|---------------|--|------------------------------|
| 10:05 - 10:25 | Problematic cases: Interactive discussion
<i>Hassan Badran</i> | <i>Ain Shams University</i> |
| 10:25 - 10:35 | Total nasal reconstruction.
<i>Ahmed Maged El Mofty</i> | <i>Cairo University</i> |
| 10:35 - 10:45 | Free ALT flap as a lifesaving method.
<i>Mohamed Abdalla Elnahas</i> | <i>Menoufia Univercity</i> |
| 10:45 - 10:55 | Combined flaps for closure of defects; Different modalities.
<i>Medhat Emil Habib</i> | <i>UAE</i> |
| 10:55 - 11:05 | The use of thin ALT flap in head and neck reconstruction.
<i>Yehia Zakaria</i> | <i>Cairo University</i> |
| 11:05 - 11:15 | Microvascular reconstruction following extremity STS resection
<i>Mohamed Abouarab</i> | <i>Alexandria University</i> |
| 11:15 - 11:25 | Freestyle facial perforator flaps for reconstruction of medium sized facial defects.
<i>Ahmed Mohamed Ibrahim</i> | <i>Suez Canal University</i> |
| 11:25 - 11:35 | The Versatility of Free-style Propeller Perforator Flaps for reconstruction of Lumbar and Gluteal defects
<i>Mohamed Ellabban</i> | <i>Suez Canal University</i> |
| 11:35 - 11:45 | Dermal regeneration matrix in versatile use for skin defects
<i>Fayez El-Deeb</i> | <i>Cairo University</i> |
| 11:45 - 11:55 | Discussion | |

11:55 - 12:30

Coffee Break

Hall: Main Hall - 12:30 - 14:20

Body Contouring-Breast Session

Chairpersons (in alphabetical order)

- Ahmed El Sharkawy, Cairo University
- Ali Mofteh, Cairo University
- Iman Labib Salem, Alexandria University
- Nasser Ghozlan, Alexandria University
- Tarek Keishk, Al Azhar University
- Wael Alshaer, Al Azhar University

- | | | |
|---------------|---|---------------------------------|
| 12:30 - 12:40 | Neck lifting in the post-bariatric patient
<i>Karim Massoud</i> | <i>Ain Shams University</i> |
| 12:40 - 12:50 | Post-bariatric pseudo-gynecomastia : An aesthetic challenge
<i>Nasser Ghozlan</i> | <i>Alexandria University</i> |
| 12:50 - 13:00 | Mastopexy after massive weight loss
<i>Ahmed Zidan</i> | <i>Alexandria University</i> |
| 13:00 - 13:10 | Evaluation of deformities, Procedures and Cosmetic Outcomes of post-bariatric Mammoplasty.
<i>Mahmoud Mohamed El Refai</i> | <i>Cairo University</i> |
| 13:10 - 13:20 | TULUA abdominoplasty: Defining indications and improving results
<i>Sherif Wasief</i> | <i>Alexandria University</i> |
| 13:20 - 13:30 | Gynecomastia, simple approaches & updated techniques.
<i>Ibraheem Yahia M. Almanawy</i> | <i>Aumelmasrien hospital</i> |
| 13:30 - 13:40 | The value of Spiral CT angio in reduction mammoplasty in severe cases of macromastia
<i>Elsayed Mandour</i> | <i>Tanta University</i> |
| 13:40 - 13:50 | Challenges of inferior pedicle reduction mammoplasty.
<i>Sayed El-Sharkawy</i> | <i>Cairo University</i> |
| 13:50 - 14:00 | Patient satisfaction after inferior pedicle reduction mammoplasty combined with liposuction of the lateral portion of the breast and axillary tail for large female breasts.

<i>Faisal Ahmed Abdel Hady Khayal</i> |

<i>Cairo University</i> |

- 14:00 - 14:10 Breast reduction: The inferior pedicle revisited
Hosam El Kafrawy *Alexandria University*
- 14:10-14:20 Optimization of the results in abdominoplasty after massive weight loss
Mohamed Naiem
- 14:20-14:30 Discussion

Hall: Main Hall - 14:30 - 15:20

Pan Arab Session

Chairpersons (in alphabetical order)

- A.Shaheed Ebrahim Fadhul, Bahrain
- Abdelaziz Nefzi, Tunisia
- Atef Emam, Military Medical Academy
- Fouad Ghareeb, Menoufia University
- Jamal Jomah, KSA
- Mohamed Kadry, Cairo University

14:30 - 14:40	Trunk contouring in one go. <i>A.Shaheed Ebrahim Fadhul</i>	<i>Bahrain</i>
14:40 - 14:50	Post body contouring pain control <i>Haitham Badawy</i>	<i>Alexandria University</i>
14:50 – 15:00	Thick skin rhinoplasty <i>Jamal Jomah</i>	<i>KSA</i>
15:00 - 15:10	General strategy for orbital surgery. <i>Fouad Ghareeb</i>	<i>Menoufia University</i>
15:10 - 15:20	Management of complex tissues losses of the scalp area. <i>Abdelaziz Nefzi</i>	<i>Tunisia</i>

15:20 - 15:50

Lunch

Hall: Main Hall - 15:50 - 18:30

Cranio-facial Session

- 15:50 - 16:00 Growing fractures in the cranio-facial region
Ibrahim Zaitoun *Alexandria University*
- 16:00 - 16:10 Skeletal cranio-maxillofacial and mandibular surgery for OSAS.
Ahmed Medra *Alexandria University*
- 16:10 - 16:20 The workflow of CAD CAM process and its integration in Craniofacial Surgery
Hossam Hassan Fawzy *Menoufia University*
- 16:20 - 16:30 The role of computed aided simulation and 3D printed templates for restoring symmetry in orbital trauma.
Amr Mohamed El-Meanawy *Menoufia University*
- 16:30 - 16:40 The applicability of CAD CAM technology in soft tissue reconstruction of craniofacial region.
Hanan Ali Dawoud *Menoufia University*
- 16:40 - 16:50 Hemicoronal incision with lateral orbital wall mobilisation approach for excision of superolateral orbital neoplasm.
Ahmed Tharwat Nassr *Menoufia University*
- 16:50 - 17:00 Updates in surgical chin augmentation.
Mohamed Amir Mrad *Riyadh*
- 17:00 - 17:10 A novel and affordable low-cost technique for fixation of symphyseal edentulous Fractures in pediatrics
Mostafa Mohammed Abdelhalim *Mansoura University*
- 17:10 - 17:20 The feasibility of rib grafts in long span mandibular defects reconstruction: A long term follow up.
Shady Aly Ahmed Hassan *Alexandria University*
- 17:20 - 17:30 Current concepts in the mandibular condylar and subcondylar fracture Management.
Mohamed Ali Abdelfattah Mohamed Mahgoub *Mansoura University*
- 17:30 - 17:40 Current concepts in management of fractures of the anterior table of the frontal Sinus.
Mohamed Abdul Fattah El-Allamy *Mansoura University*

- 17:40 - 17:50 Virtual planning as an aid for orthognathic surgery using digital occlusal splints.
Mahmoud Fata *Alexandria University*
- 17:50 - 18:00 Important preorbital aesthetic measurements.
Hesham Kamel Hassan *Kafr EL Sheikh*
- 18:00 - 18:10 Age related analysis of improvement regression after repair by superior pharyngeal flap in velophaynreal insufficiency patients
Medhat Samy Aly Hassan *Menoufia Univercity*
- 18:10 - 18:20 Two flap palatoplasty with radical muscle dissection: New modifications
Wael Ahmed Radwan Ghanem *Cairo University*
- 18:20 - 18:30 Discussion

Hall: Main Hall - 09:30 - 11:30

Instructional Course: Aesthetic Rhinoplasty

Chairpersons (in alphabetical order)

Ayman Aboul Makarem, Ain Shams University

Karim Masoud, Ainshams University

Khaled Makeen, Cairo University

Nader El Meligy, Ministry of Health

Saad El Fayomy, Al Azhar University

Tarek Abo El Ezz, Tanta University

09:30 - 11:30 Instructional Course: Aesthetic Rhinoplasty

Hossam Foda

Alexandria University
